

STRICTLY CONFIDENTIAL

The \$40,000 Bootstrap Execution & ROI Strategy

This document details the precise deployment of \$40,000 in seed capital to reach a launch-ready MVP with 10,000+ active users in Israel. The focus is on capital efficiency, legal resilience, and aggressive user acquisition through high-intent local channels.

Ads (\$15k)

TikTok/Meta/Google split for 10k+ downloads.

Product (\$13k)

Admin hardening, walker web-interfaces, security.

Ops (\$5k)

Israeli legal entity, tech lawyers, VAT/Accountancy.

Support (\$7k)

3 staff members (2 chat, 1 admin) @ legal min.

Israeli Ad Market Research (2025-2026)

TikTok Israel

Source: DigitalApplied 2026

CPC: \$0.35 - \$0.55. Viral/UGC focus. Budget reduced to \$5.5K to fund creative.

Meta (FB/IG)

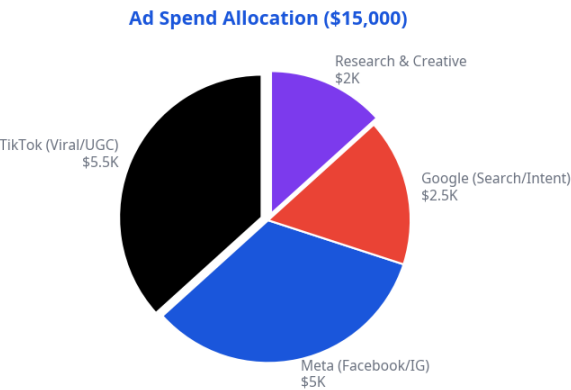

Source: Superads.ai 2026

CPC: \$0.57 - \$0.78. High targeting precision for dog owners. \$5K budget.

Research & Creative

Internal Strategy

\$2K allocated for deep market ad research and professional video graphic creation.

Target ROI Metrics:

Target CAC	\$1.50 per install
Daily Spend	\$500 (30 days)
Est. Downloads	10,000 - 12,500
Conversion to User	8-12%

Technical Roadmap & Security

Admin Dashboard Hardening

Additional configuration, audit logs, payout overrides, and multi-role based permissions (Admin vs Staff).

Walker Web-Interface (React)

Separate web-based portal for contract signing, payment provider agreement, and identity verification.

Security Audit & Hardening

Pre-launch audit to remove moderate breaches. Focus on encryption and J5 logic validation.

Real-Time Tracking (Internal)

15s server-side validation. Data stored to server only, removed at end of walk. No client-facing export yet.

SECURITY MANDATE:

It is strictly prohibited to launch the application without first resolving all moderate security breaches. The \$2,500 security budget is dedicated to this "Clean Launch" requirement.

Israeli Legal & Financial Compliance

Tech Lawyer Rates

Barnea / Herzog / Meitar

Avg. 800 - 1,200 NIS per hour (\$220-\$330). Ongoing support is crucial for marketplace T&Cs.

Accountancy Retainer

CPA Dray / Raftel Strategy

Avg. 1,500 - 3,500 NIS/month for Osek Murshe/Company. Includes VAT & Annual Reports.

Critical Legal Requirements for Launch:

- Cancellation Fees: Legally binding logic for owner/walker cancellations.
- Dog Sitting Services: Specific liability insurance and home-stay agreements.
- Third-Party Walker Agreements: Defining "Non-Merchant" behavior to avoid employer-employee traps.
- VAT (Maam): Automated invoice generation for commission-based transactions.
- Ongoing Support: Monthly retainer for legal changes and dispute resolution.

Operational Staffing (3 Members)

2x Chat Support Members **\$4,400 / mo**

Handling onboarding, walker verification, and real-time dispute resolution.

1x Staff Admin **\$2,200 / mo**

Managing system logs, payout overrides, and backend operations support.

Total Monthly Burn **\$6,600 / mo**

Budgeted \$7,000 provides \$400 headroom for overtime or minor tools.

ISRAELI LABOR COMPLIANCE:

The \$2,200/mo (approx 8,000 NIS) rate aligns with the Israeli monthly minimum for a 5-6 hour shift (Sun-Thu). All hiring will include mandatory pension and social benefits.
